TO: Will Reid, Assistant Chief Engineer of Operations

FROM: *RP* Ronnie Porter, Director, Program Development and Administration Division

SUBJECT: **Proprietary Item Request and Justification for City of Columbia for Pavestone "Holland Series" Pavers**

I, Ronnie Porter, Director of the Program Development and Administration Division, request approval for the City of Columbia to be certified to utilize the following proprietary item(s) over the next three years, where Federal funding is used:

1. Pavestone "Holland Series" Pavers

Justification

The City desires to have uniformity with the recent Riverwalk improvements. The pavers are essential for the synchronization with the existing facilities.

If you have any questions or comments, please contact **Kimery Grant** at (615)741-5323 with the Local Programs Development Office or at Kimery.Grant@tn.gov.

I, Ronnie Porter, Program Development and Administration Division Director, of the Tennessee Department of Transportation, do hereby certify that in accordance with the requirements of 23 CFR 635.411(a) (2) that the patented or proprietary item(s) as listed above is essential for the synchronization with existing facilities or no equally suitable alternative exists for this patented or proprietary item as listed above.

Dear Ms. Grant:

The City of Columbia requests the use of Pavestone "Holland Series" pavers on our upcoming West 6th Street Streetscape project, PIN 114780.02. These pavers were used on the nearby Columbia River Walk project, and we would like to use them on this project as well for aesthetic continuity.

Please call me if you have any questions regarding this request.

Sincerely,
